

I am concerned about LPFM taking priority over FM translators & most importantly the impact this will have on K-LOVE radio! I listen to K-LOVE all day long in my home & in the car, and it is such a blessing to me. The station is so encouraging & is a constant reminder of God's love & provision in our lives. The loss of this station would be a great loss to us & to the community. K-LOVE is a wonderful vehicle for encouraging & uplifting the community. Please don't let K-LOVE be taken off the air in Raleigh or in any other city in the country!! Thank you.
